RAMANA EDUCATION TRUST

The trust was established in the year 2003 and has travelled a decade in rendering a quality education and also nurturing the young minds.

The trust aims to provide knowledge to become allround, independent and successful individuals through the activities and curriculum inculcated in the process of the academmia.

The core committee members of the trust comprise of philanthropists, intellectualla & educators which is the major strength of Ramana Educational Trust

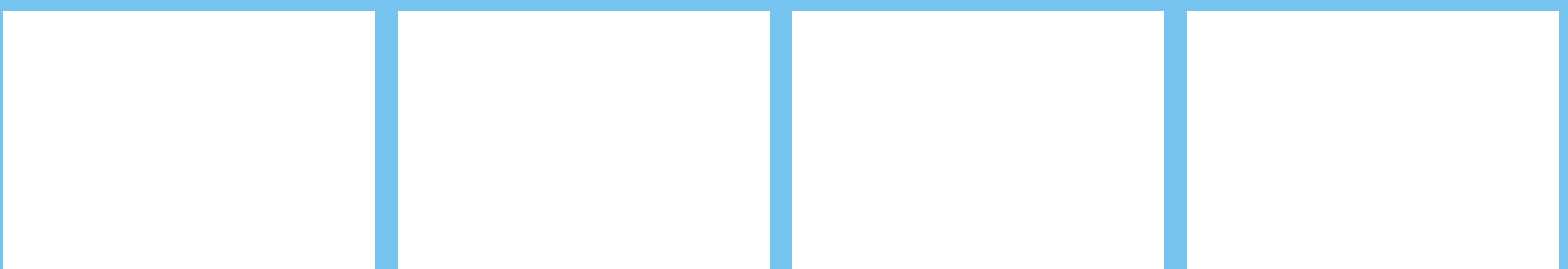

RAMANA VIDYANIKETAN

Ramana Vidyaniketan, an initiative of Ramana Educational Trust, was founded with

VISION - To build and maintain good academic standards, which will continually adapt to new situation. By improving the education offered to our students in order to prepare them to face the ever changing challenges of life.

MISSION - We are builders of the future creating a student centered, brain compatible environment which encourages responsibility and respect for others, producing successful life long decision makers in an ever changing world.

CORE VALUES - Acceptance with cheerfulness Encouragement with creativity and curocity making a difference with intelligence and thoughtfulness.

OUR CURRICULUM

Ramana Vidyaniketan believes that a single curriculum has its limitations at the younger stages of learning.

Our curriculum aims at bringing about a holistic development in the child primarily focusing on the children's multiple intelligence covering all the corners of growth and development.

it basically focuses on concepts and provides a strong platform for the future studies.

Ramana Vidyaniketan is committed to three interwoven purposes, Dissipating Knowledge, Applying Knowledge and Creating Knowledge.

We believe in Inspire Imagine Inovate.

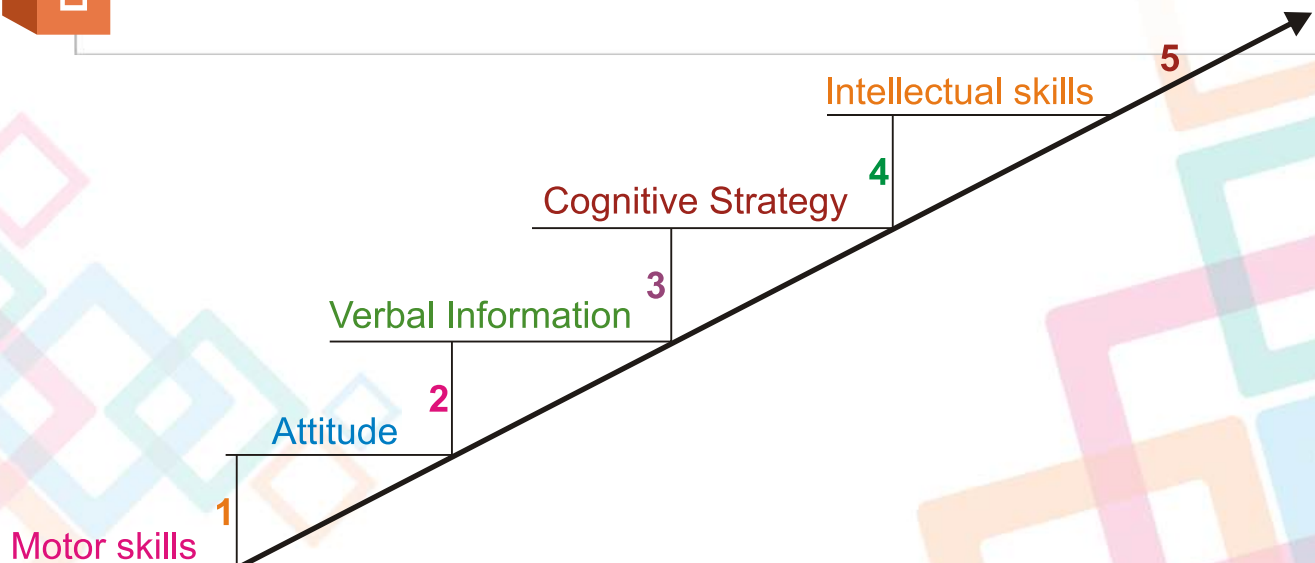

DEVELOPMENTAL DOMAINS

Nothing bavel's faster than though, especially the thoughts that promise innovation because they are the fore runners of a new way of thinking at Ramana Vidyaniketan.

We develop :

- Physical, Social, Intellectual and Emotional development.
- Language enrichment with comprehension skills.
- Math and logic expansion.
- Creative, Art and Craft.
- Adaptive skills.

Ramana Vidyaniketan builds them in the ladder pattern to be a successful happy learner.

OUR STRENGTHS

Pre school (BN, LKG, UKG)

Play way and Experiential learning with limited strength per class with 1:20 Teacher to child ratio.

Primary School (I - VIII)

Concept driven, importance given to language and skill development at the early ages.

Each class room is provided with SMART Boards which aids in better learning.

High School (IX - X)

We propose students to appear for the board exams, classes are handled by experienced and trained faculties.

Ramana Vidyaniketan has been recognised as one among the best schools in the surrounding because of its track records such as,

- * high standards with standard curriculum.
- * Good discipline among the students, Teachers & Parents.
- * Successive 100% result in SSLC
- * Smart board and technology driven class rooms.
- * And finally, the groomers, the mentors, the facilitators who are our teachers with their high spirit.
